

LMS INSTRUCTIONS FOR MOBILE

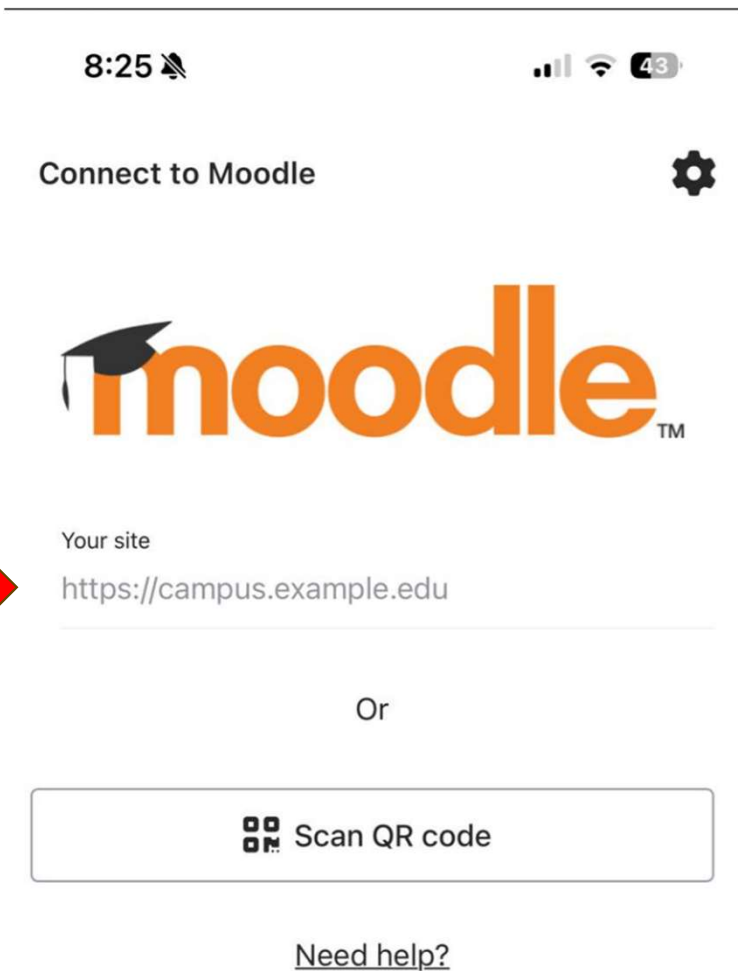

PEGASUS
INTERNATIONAL COLLEGE

1. Open the App Store (iOS) or Play Store (Android) and download the **Moodle** app.

2. In the field where it asks for your site, enter:

<https://elearning.pegasus.edu.au>

The image shows a mobile app interface for Moodle. At the top, the status bar displays the time 8:25, signal strength, Wi-Fi, and battery level at 43%. Below the status bar, the text "Connect to Moodle" is followed by a gear icon. The Moodle logo, featuring a graduation cap and the word "moodle" in orange, is centered. Below the logo, the text "Your site" is followed by a text input field containing "https://campus.example.edu". A red arrow points to this input field. Below the input field, the word "Or" is centered. At the bottom, there is a button with a QR code icon and the text "Scan QR code". Below the button, the text "Need help?" is centered.

The screenshot shows a mobile app interface for Moodle. At the top, the status bar displays the time 8:27, signal strength, Wi-Fi, and battery level at 43%. Below the status bar is a navigation bar with a back arrow, the text "Log in", a settings gear icon, and a help question mark icon. The main content area features the Moodle logo (a graduation cap over the word "moodle" in orange) and the text "Pegasus International College" followed by the URL "https://elearning.pegasus.edu.au". There are two input fields: "Username" and "Password". The "Password" field has a toggle icon (an eye) to its right. Below the input fields is a large orange "Log in" button. At the bottom, there is a link that says "Lost password?".
